OPTIMA 12

A wooden panel mounted on the wall. On the left is a black patch panel with 12 ports, labeled 'PERASECT' at the top and 'OPTIMA 12' at the bottom. To its right is a small black rectangular device with a single knob and a label.

AVAYA

A large, rectangular communication device mounted on the wall. The top half is dark grey with a speaker grille and the 'AVAYA' logo in red. The bottom half is a lighter, yellowish-grey color. Below the device, a bundle of wires and a power supply unit are visible, along with a metal mesh enclosure.
